A LOOK BACK AT SEPTEMBER

We have a lovely married couple who live with us at Fernlea and they had been apart during the start of the pandemic with one living at home whilst the other lived at Fernlea. Now that they are both living together at Fernlea we heard a conversation between them *"we can have a lovely date in the cinema just like old times"* We of course had to make this happen so Oklahoma in the cinema after afternoon tea was arranged as a perfect date night.

We enjoyed a fun three day long Italian theme. Our days were filled with Italian food, drinks and, movies and even a visit from Mario!

One of our residents was unable to attend her granddaughters wedding due to COVID-19 restrictions, but Fernlea always finds a solution. A live link was set up between the home and the wedding, so we were able to watch the wedding as it was happening and enjoy the day just the same.

EMPLOYEE OF THE MONTH:

James has managed to bring a smile to our faces, even in the most difficult of days. If it is not by just being him, then its his dressing up! He has helped out on every department including housekeeping, hospitality and even maintenance aswell as doing his own role.

He is always happy to help, and we are thrilled to have him as part of the Fernlea team.

Thank you James

A QUICK POEM

"The world has caught a virus but it's nothing you can see,
So here I am on house arrest in case it's after me!
It seems I'm very vulnerable because my youth is in the past,
Age is the only thing that suddenly works fast!
They've banned nice friendly chats to anyone that's near,
But if I follow all the rules I might be here next year!"
